### ON SALE NOW: DECENTRALIZED WEB SUMMIT TICKETS

[Registration is now open](#) for the Decentralized Web Summit: Global Visions/Working Code, July 31-August 2. Join Joseph Poon, founder of the Lightning Network, Primavera De Filippi of Harvard's Berkman-Klein Center, author Cory Doctorow and many others as we work together to build a Web that is more private, secure, censorship-resistant, and locked open -- this time for good. It's time to collaborate, communicate and co-create the tools we need the most. Tickets will sell out so make sure to [secure your spot now!](#)

**NOW ACCEPTING ALTCOINS!**

Got Clams? Maybe some extra Rinnle Iving

Get Shifty! Maybe some extra sappy lying around? Is your Litecoin portfolio flush and you'd like to share the love? Now you can! Thanks to ShapeShift, the Internet Archive is now able to accept donations in a whole new variety of altcoins. The [new crypto-donate page](#) has a fresh, new look and feel, and with the inclusion of the ShapeShift 'Shifty' button, we can magically accept and convert more than 40 forms of cryptocurrency.

### ROCK OUT WITH THE ARCHIVE

By day he's the venture capitalist who's holding Mark Zuckerberg's feet to the Congressional fire. By night, he's the leader of the great Jam Band, Moonalice. Roger McNamee and his band will be headlining a benefit concert for the Internet Archive at Sweetwater Music Hall in Mill Valley this Friday! The Archive's own Jeff Kaplan of SF Airship will open the show. [Get your tickets now!](#) For those not able to come, the concert will be broadcasted live on the! [Moonalice Couch Tour Site](#) and available online shortly after their set!

### ARTIST IN RESIDENCY EXHIBIT IN SF

In celebration of the second year of the Internet Archive's visual arts residency program, we're pleased to announce the 2018 Artist in Residence Exhibition, organized in collaboration with the Ever Gold [Projects]. The program, directed by Amir Esfahani, is designed to engage emerging and mid-career artists with the Archive's collections, connecting open access information with artistic intuition. Join us for an opening reception Saturday, July 14, 5-8 pm at the [Minnesota Street Project](#). The exhibition runs from July 14 – August 11.

### SUNSET TOWER RECORDS 1971

Behold the beauty of the controlled chaos that was Tower Records on the Sunset Strip, circa 1971. Shot on 16mm film, this 10 minute clip of LA's youth combing through the bins is pure nostalgia. If the handlebar mustaches and striped denim don't make you wish for simpler times, we don't know what will. Come explore the rows upon rows of classics, with Sly & the Family Stone leading us in.

WATCH

### BEAUTIFUL SEED CATALOGUES GALORE

Pretty little things adorning pretty little pages. Tucked inside the [Biodiversity Heritage Library's](#) seed catalogues are delicate illustrations of petunias, butter beans and desirable cabbages. Learn when to sow your beets and prune your berries. This is just a small slice of the Biodiversity Heritage Library's incredible collection worth exploring. Daisies, dahlias, daffodils, oh my!
